Farrar Straus Giroux, United States, 2014. Hardback. Book Condition: New. 220 x 165 mm. Language: English . Brand New Book. In time for the holidays, a single-volume hardcover edition that brings together the three volumes of the Southern Reach Trilogy, which were originally published as paperback originals in February, May, and September 2014. Annihilation is the first volume in Jeff VanderMeer's Southern Reach trilogy, Authority is the second, and Acceptance is the third. Area X-a remote and lush terrain-has been cut off from the rest of the continent for decades. Nature has reclaimed the last vestiges of human civilization. The first expedition returned with reports of a pristine, Edenic landscape; all the members of the second expedition committed suicide; the third expedition died in a hail of gunfire as its members turned on one another; the members of the eleventh expedition returned as shadows of their former selves, and within months of their return, all had died of aggressive cancer. This is the twelfth expedition. Their group is made up of four women: an anthropologist; a surveyor; a psychologist, the de facto leader; and our narrator, a biologist. Their mission is to map the terrain and collect specimens; to record all their observations, scientific and otherwise, of their surroundings and of one another; and, above all, to avoid being contaminated by Area X itself. They arrive expecting the unexpected, and Area X delivers-they discover a massive topographic anomaly and life forms that surpass understanding-but it's the surprises that came across the border with them, and the secrets the expedition members are keeping from one another, that change everything. After the disastrous twelfth expedition chronicled in Annihilation, the Southern Reach-the secret agency that monitors these expeditions-is in disarray. In Authority, John Rodriguez, aka Control, is the team's newly...
