They have been tried here, and some are in a good state of preservation which have stood the wear of continuous traffic for over 18 years. The fewer interstices there are in a street surface, the fewer angles there will be where disease germs may lodge; the smoother and more even the surface, the more readily it may be kept clean; the nearer a city comes to achieving greatness with the least wear upon the nerves of its citizens, the more stable will be its growth and more comfortable its inhabitants. The Barber Asphalt Paving Company has laid, altogether, 3,003,188 square yards in Buffalo; The German Rock Company has laid 130 COMMON COUNCIL MANUAL. 650,000 square yards of Barber asphalt; and the Standard Paving Company,...
