Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

THE LITTLE TRACK: AND OTHER VERSES (CLASSIC REPRINT) (PAPERBACK)

Brand New Book ***** Print on Demand *****.Excerpt from The Little Track: And Other Verses The Little Track. I see it when the moon is low, I see it when the dawn is red; A little, narrow, winding track, Where all the dreams of youth have fled. And often when the moon is full, And all the world is very still, I fancy haunted whispers come Across the bracken-covered hill. And in the sunny afternoons, Half hidden by the long, long grass, The track still keeps her secret way, Where only you and I may pass. But you who gladly went to die, And now will nevermore return Across the hill, along the track, Close covered by the bracken fern. I wonder did your smiling eyes (Ere yet they whispered you were dead) Behold a vision faint and fair - The little track you used to tread? But I - I dare not walk alone The little track we used to know; For thoughts of other days arise, And memory, with her whisper low. And calling here and whispering there, And saying, Here he used to go. Ah! haunted is that dreamlike spot - The little track you used to know. But though you may not come again, Perchance, when mine own heart is still, You ll gently lead me by the hand Along the track, beyond the hill.
