

Why Do They Act That Way?: A Survival Guide to the Adolescent Brain for You and Your Teen

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

Tantor Media, Inc, United States, 2012. CD-Audio. Book Condition: New. Unabridged. 193 x 137 mm. Language: English . Brand New. Even smart kids do stupid things. It s a simple fact of life. No one makes it through the teenage years unscathed-not the teens, not their parents. But now there s expert help for both generations in this groundbreaking new guide for surviving the drama of adolescence.In *WHY Do They Act That Way?* nationally renowned, award-winning psychologist Dr. David Walsh explains exactly what happens to the human brain on the path from childhood into adolescence and adulthood. Revealing the latest scientific findings in easy-to-understand terms, Dr. Walsh shows why moodiness, quickness to anger and to take risks, miscommunication, fatigue, territoriality, and other familiar teenage behavior problems are so common: all are linked to physical changes and growth in the adolescent brain.But *WHY Do They Act That Way?* goes beyond the well-known issues of hormones and peer pressure. It is the first book to explain the changes in teens brains and to show parents how to use this information to understand, communicate with, and stay connected to their kids. Dr. Walsh actually likes teenagers and has worked with them and their families for more than thirty years as a parent, teacher, psychologist, coach, and trusted expert. Through real-life stories, he makes sense of their many mystifying, annoying, and even outright dangerous behavioral difficulties and provides realistic solutions for dealing with everyday as well as severe challenges. Dr. Walsh s techniques include, among others: sample dialogues that help teens and parents talk civilly and constructively with each other, behavioral contracts, and Parental Survival Kits that provide practical advice for dealing with issues like curfews, disrespectful language and actions, and bullying. In addition, Dr. Walsh explores the short- and long-term effects of drug...
