Jennica James is shot during her concert debut, sending detectives Dylan Drake and Della Bishop on a bizarre trail. A gun turned in by a priest after receiving it during confession leads to an agent operating a highly classified and undercover team under the direction of the National Reconnaissance Office (NRO), and posing as a U. S. Marshal infiltrating a local militia. Jennica was the daughter of John James, the man behind the real mission. If exposed, the security of the nation will be compromised. What is revealed dramatically changes the detectives lives, as the plot by James to transfer miniature spy satellites to Russia is annihilated by a war fought in the Montana wilderness. Bound by an oath of secrecy, Dylan is used as a government pawn after his past as a Navy SEAL is discovered. Instructed to tell Della the cover story to save her life and guarantee the anonymity of the mission, he is forced into active duty. It will lead into Tower of Tears.
