Reviews

It is one of the best books. Indeed, it really is playful, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Whether you're a native speaker or learning English as a second language, it's very easy to get confused and make mistakes. This book is your essential guide to mastering the subtleties and becoming an expert communicator. The book then looks at words that often confuse - childish vs. childlike, incredible vs. incredulous, for example - before providing a list of the most commonly misspelled words.
