

## How to Start a Career in Information Technology, 2nd Edition

By Ian K. Fisher

Ian K. Fisher. Paperback. Book Condition: New. Paperback. 156 pages. Dimensions: 8.3in. x 5.5in. x 0.5in. PRAISE FOR THE BOOK  
 Ian Fisher has produced a comprehensive and eminently useful volume. Anyone contemplating entering the Information Technology workplace, and even those already there, will benefit from this thoughtfully considered and beautifully organized guidebook that addresses every relevant topic, including a frank discussion of outsourcing and its impact on the IT job market. Enthusiastically recommended. Dennis Green, Director Information Technology programs Columbia University, School of Continuing Education New York, NY  
 Ian Fishers new book is an indispensable compass for those beginning their career journey into the largely uncharted information technology field. Like the best maps and field guides, it provides a complete and clear exploration of the varied and often confusing IT terrain-from identifying the personal skills prerequisite for different IT career paths to navigating the myriad IT educational and training options and ultimately arriving successfully at that first position. Dont leave home without it! Dr. Richard Vigilante, Executive Director Jesuit Distance Education Network New York, NY  
 Very few people consciously select their careers. Most start a profession without really understanding the associated field, responsibilities, compensation, and sacrifices; this is especially true in...
