So you have never heard a song that didn t instantly rewind the fabric of your mind by ten years? A song on your car radio that just happens to be the first song you made our song with your precious departed wife? A song so deeply rooted in your heart that life simply wouldn t be the same without it. Just close your eyes and you re there, the warm afternoon sun shining on your face, the butterflies in your stomach as you uttered those immortal words. . . . Will you marry me? How beautiful she looked as you held her hands in yours, and seconds seemed like hours as she drew breath and said yes. Do you really believe time travel s a myth?.
